CLERK: 30 ayes on the motion to suspend the rules.

PRESIDENT: Rules are suspended then and the bills will be heard.

CLERK: Mr. President, I have a motion to adjourn. Signed, Senator Stull.

PRESIDENT: Any other business to come before the body? Chair recognizes Senator Goodrich.

SENATOR GOODRICH: Mr. President, members of the body, in spite of the fact that we have a motion to adjourn up there, we just debated LR 21. Why can't we put that to a vote and let it go at that? Get it decided, otherwise if we lay it over, take it up again then we've got to debate the thing again and waste some more time. All we have to do is take a vote on it and be done with it.

PRESIDENT: All right. There are other amendments on the bill too that are proposed and Senator DeCamp has a motion on it and so forth. There were other people to discuss it.

SENATOR GOODRICH: All right, let's let it go and we'll waste some more time another day then. Thank you.

PRESIDENT: Motion is to adjourn until 9:00 tomorrow. All those in favor of the motion signify by saying aye...

CLERK: Mr. President.

PRESIDENT: Wait a minute, just a minute. What do we have?

CLERK: We've got a unanimous consent request to place 533 on General File for Monday after 358. Signed, Senator Carpenter.

PRESIDENT: Are there objections? Any objections to that motion? Senator Carpenter, go ahead.

SENATOR CARPENTER: ...with technical schools. It's highly important and it shouldn't be lost in a log jam and that's the reason I'm asking to put in on General File.

PRESIDENT: All right, are there objections to placing the bill there? Senator Syas.

SENATOR SYAS: I would not object, but 533 has a conflict with 259 so I don't think you can do anything this session with 533.

PRESIDENT: Well, all right, here we go. Senator Warner.

SENATOR WARNER: Mr. President, and Senator Syas, you might listen. The 533 you do have to have something otherwise none of the money that's in 259 can be distributed. There is an amendment drafted that lays on my desk and Senator Kremer got it done which will amend 533 to reflect the appropriations in 259 and you think 533 is bad as it is, I think it's bad that way but I think that's the way it has to be done now. But it's bad.

PRESIDENT: Now does the chair understand there are no objections to setting 533? Senator Warner, you're not objecting then? There are no objections to 533? Hearing none, so ordered. Then it is ordered. Now what else do we have on the desk?

CLERK: Motion to adjourn?

PRESIDENT: Once again, all those in favor of adjourning until 9:00 tomorrow morning please signify by saying aye, those opposed say no. The ayes have it, we're adjourned until 9:00 tomorrow.
